**Language of Material:** Collection materials in Spanish

**Access**

Collection is open for research.

**Publication Rights**

Some materials in these collections may be protected by the U.S. Copyright Law (Title 17, U.S.C.) and/or by the copyright or neighboring-rights laws of other nations. Additionally, the reproduction of some materials may be restricted by terms of Ethnomusicology Archive gift or purchase agreements, donor restrictions, privacy and publicity rights, licensing and trademarks. Transmission or reproduction of protected items beyond that allowed by fair use requires the written permission of the copyright owners. The nature of historical archival collections means that copyright or other information about restrictions may be difficult or even impossible to determine. Whenever possible, the Ethnomusicology Archive provides information about copyright owners and other restrictions in the finding aids. The Ethnomusicology Archive provides such information as a service to aid patrons in determining the appropriate use of an item, but that determination ultimately rests with the patron. The Ethnomusicology Archive is eager to hear from any copyright owners who are not properly identified so that appropriate information may be provided in the future.

**Preferred Citation**

[Identification of item], Music of Mexico, 2007.05, Ethnomusicology Archive, University of California, Los Angeles.
