**Preferred Citation**

[Identification of item], Bicycle Safety Video series, MS 69, Special Collections and Archives, University Library, University of California, Santa Cruz.

**Acquisition Information**

Transferred 1997.

**Scope and Content**

This archive contains the following three videos in English and Spanish produced by Jeanne Le Page of the UCSC Transportation and Parking Services with the Office of Traffic Safety:

*"Bicycle Zone"* (12 min.). An educational and humorous video on bicycle safety aimed at an elementary school audience. Using colorful graphics and animation, it teaches the fundamental skills of bicycling.

*"Pedal Smarts"* (18 min.), uses teen actors in a news-style format to demonstrate safe cycling and motoring skills for middle school age children.

*"Getting There By Bike"* (20 min.), interviews a firefighter, a Latina newscaster, a bicycling activist/instructor, and a senior citizen, to see how they discovered the joys of bicycle commuting, and how to do it safely. The video also demonstrates for youths and adults bicycle friendly motoring skills and emphasizes their importance.
