#### Descriptive Summary

**Title:** Department of Public Works. Division of Architecture Design Section Records,

**Date (inclusive):** 1925-1964

**Inventory:** F3274

**Creator:** Department of Public Works. Division of Architecture Design Section

**Extent:** Approx. 455 drawings and 807 photographs.

F3274:1-455.

**Repository:** California State Archives

Sacramento, California

**Language:** English.

#### Publication Rights

For permission to reproduce or publish, please contact the California State Archives. Permission for reproduction or publication is given on behalf of the California State Archives as the owner of the physical items. The researcher assumes all responsibility for possible infringement which may arise from reproduction or publication of materials from the California State Archives collections.

#### Preferred Citation

[Identification of item], Department of Public Works. Division of Architecture Design Section Records, F3274, California State Archives.

---

Folder F3274:1-455.

#### 1. Architectural drawings and photographs. 1925 - 1964.

**Physical Description:** Approx. 455 drawings and 807 photographs.

##### Scope and Content Note

Arranged alphabetically by name of state agency. Drawings and photograph stored separately.

Contains architectural plans and renderings created primarily by Alfred Eichler, who was an architect for the State of California for many years (1925-1964). Buildings include state colleges and universities, correctional institutions, state mental hospitals, the Benecia State Capitol, Tower Bridge (Sacramento), and Veteran's Home Yountville). Photographs were taken by Eichler and document the construction of these buildings. Descriptive notes in the following list were provided by Eichler.

#### Biographical data

---

Folder F3274:1

**biographical data**

**Agriculture - Plant Quarantine**

Folder F3274:2-4

**Quarantine Inspection Station, Blythe**

**Scope and Content Note**

Design, drawings by Alfred Eichler

Built 1939 (situated in desert country)

Folder F3274:5-8

**Quarantine Inspection Station, Crescent City (Smith River)**

**Scope and Content Note**

Design, drawing by Alfred Fichler

Built 1936

Folder F3274:9

**Border Inspection, Dorris**

**Scope and Content Note**

Design by Earl W. Hampton

Drawing by Alfred Eichler

Built 1936

Folder F3274:10-13

**Border Station, Hornbrook**

**Scope and Content Note**

Design, drawing by Alfred Eichler

Folder F3274:14-19

**Quarantine Inspection Station, Fort Yuma**

**Scope and Content Note**

Design, drawn by Alfred Eichler

Built 1930 (one of the first border stations Was situated in desert country. Its purpose is to provide a stopping place for inspection of incoming motor traffic to enforce quarantine against insect infection of California agricultural products)

**Compensation Insurance Fund - Home Office - San Francisco**

Folder F3274:20

**Photostats of working drawings, plans and elevations**

**Scope and Content Note**

Alfred Eichler in charge of design

Ralph E. Wastell, Senior Architect

V. I. Ostrom, Associate Architect

Built 1958 (This is the first marble building built with marble and granite built by the state. Probably the last also. Located at edge of S.F. Civic Center)

Folder F3274:21

**Perspective drawings in pencil by Ralph E. Wastell of four elevations**

**Scope and Content Note**

Built 1959

Folder F3274:22

**Photos and negatives during construction**

**Scope and Content Note**

Photos - Earl Howard, R. W. Young, R. L. Hassard, R. E. Wastell

Photos by Alfred Eichler 1959

**Negatives**

**Corrections - Institutions - California Institution for Women**

- Folder F3274:23      **New Women's Prison, Tehachapi**  
                                 **Scope and Content Note**

**Scope and Content Note**

Sheets 1 - P2 (23 sheets) dated Nov. 27, 1956

Folder F3274:359

**Restoration negatives - 1951-56**

**Natural Resources - Beaches and Parks - State Parks**

Folder F3274:360

**Coloma Gold Discovery Museum**

**Scope and Content Note**

Photo and negatives - During construction, 1960-61

Oblong photos by Alfred Eichler

Square photos by Walter Rush

Folder F3274:361

**Indian Museum, Sacto. - On grounds of Sutter's Fort**

**Scope and Content Note**

Design by R. D. Murray

Drawn by Alfred Eichler in pencil - 1940 - Built

This is one of the best drawings of a proposed building to show what it will look like

Folder F3274:362

**Design for sign for Pio Pico Hacienda**

**Scope and Content Note**

Drawn by C. B. Wing professor of engineering at Stanford University, circa 1926, Chief, Division of Parks

Folder F3274:363

**Design for sign Pio Pico Hacienda**

**Scope and Content Note**

Drawing by Alfred Eichler after design by Col. Wing, Chief Division of Parks - 1929

Folder F3274:364

**Same as above**

Folder F3274:365

**California Redwood Park - Big Basin - Santa Cruz Co.**

**Scope and Content Note**

Open Air Theater, Big Basin

Sketch design by Alfred Eichler, 1932 - Not built

---

- Folder F3274:366      **California Redwood Park - Big Basin - Santa Cruz Co.**  
    **Scope and Content Note**  
    Open Air Theater  
    Photostat of pencil design rendering  
    Drawing by Alfred Eichler. President W. A. Foster could not get the majority of the Park Commissioners to approve the design like this unfortunately. Widely regarded in the Div. of Architecture as a first rate design.
- Folder F3274:367      **California Redwood Park - Big Basin - Santa Cruz Co.**  
    **Scope and Content Note**  
    Open Air Theater  
    Original drawing in pencil by Alfred Eichler  
    Design by Alfred Eichler, March 1932 - Not built  
    W. A. Foster, Chief of Division of Parks was consulted on the design but the Park Commission did not go for it. They wanted something rustic in appearance
- Folder F3274:368      **Print of above**  
    **Scope and Content Note**  
    Design by H. S. Hazen  
    Drawing by Alfred Eichler
- Folder F3274:369      **California Redwood Park - Big Basin - Santa Cruz Co.**  
    **Scope and Content Note**  
    Open Air Theater  
    Design, drawing by Alfred Eichler, Mar. 1932 - Not built  
    This is a colored print
- Folder F3274:370      **Big Basin Open Air Theater**  
    **Scope and Content Note**  
    Drawings by Alfred Eichler - Not built
- Folder F3274:371      **Historical Landmark Sign and Monument**  
    **Scope and Content Note**  
    Design by Alfred Eichler, 1947 - Built throughout the state
- Folder F3274:372      **Historical Landmarks Monument**  
    **Scope and Content Note**  
    Sketch of design by Alfred Eichler, circa 1946  
    Built all over state
- Folder F3274:373      **Bear Flag Monument Sign**  
    **Scope and Content Note**  
    Design, drawing by Alfred Eichler  
    This is a study for the Historical Landmark Sign
- Folder F3274:374      **California Redwood Park Sign**  
    **Scope and Content Note**  
    Design by Alfred Eichler, 1928 - Not built
