Descriptive Summary

Title: Fremont Ackerman Papers,

Date (inclusive): 1890-1945

Collection number: 312

Creator: Ackerman, Fremont

Extent: 62 boxes (31 linear ft.)92 oversize folders 4 oversize boxes

Repository: University of California, Los Angeles. Library. Department of Special Collections.

Los Angeles, California 90095-1575

Abstract: Fremont Ackerman worked as an engineer for the Northern Pacific Railroad Company in Montana. He later established his own business as a civil engineer and surveyor in the Southern California area. The collection consists of field books, maps, drawings, correspondence, and business papers related to Fremont Ackerman's work with the construction of the Northern Pacific Railroad in Montana and his activities as a civil engineer and surveyor in the Los Angeles region.

Physical location: Stored off-site at SRLF. Advance notice is required for access to the collection. Please contact the UCLA Library, Department of Special Collections Reference Desk for paging information.

Language: English

Provenance/Source of Acquisition

Gift of William Coit Ackerman and Ruth Lovilla Ackerman, 1955.

Preferred Citation

[Identification of item], Fremont Ackerman Papers (Collection 312). Department of Special Collections, Charles E. Young Research Library, University of California, Los Angeles.

Biography

Ackerman graduated from Ohio State University in 1883; worked as an engineer for the Northern Pacific Railroad Company in Montana; moved to Los Angeles, California, and established his own business as a civil engineer and surveyor in the Southern California area.

Scope and Content

Collection consists of field books, maps, drawings, correspondence, and business papers related to engineer Fremont Ackerman. Materials relate to his work with the construction of the Northern Pacific Railroad in Montana and his activities as a civil engineer and surveyor in the Los Angeles region. Topics include land and water companies in Arizona and California and real estate development in Southern California. Includes surveys conducted by Ackerman for the Lucky Baldwin estate, William Wolfskill rancho, Abbot Kinney's Venice in America project, and the property of William Andrews Clark.
