Collection Summary

Collection Title: Records of the College of Agriculture, University of California,

Date (inclusive): 1881-1945

Collection Number: CU-20

Creator: University of California (1868-1952). College of Agriculture.

Extent: 30 boxes, 73 v. (ca. 35 linear ft.)

Repository: The Bancroft Library. University Archives.

Berkeley, California 94720-6000

Physical Location: For current information on the location of these materials, please consult the Library's online catalog.

Languages Represented: English

Access

Collection is open for research.

Publication Rights

Copyright has not been assigned to The Bancroft Library. All requests for permission to publish or quote from manuscripts must be submitted in writing to the Head of Public Services. Permission for publication is given on behalf of The Bancroft Library as the owner of the physical items and is not intended to include or imply permission of the copyright holder, which must also be obtained by the reader.

Preferred Citation

[Identification of item], Records of the College of Agriculture, University of California, CU-20, University Archives, The Bancroft Library, University of California, Berkeley.

Scope and Content

Contains correspondence of the Office of the Dean of the College, 1912-23 (Thomas Forsyth Hunt); orchard and seed books; files of various individuals connected with the College; printed materials.

Also includes correspondence files of the director of the Experiment Stations, 1912-1924 (T. F. Hunt, Herbert J. Webber, Clarence M. Haring); correspondence files and letterpress copy books of the Agricultural Experiment Station viticulture division and of various substations, 1881-1915; letterpress copy books concerning Farmers' Institutes of the Agricultural Extension Service, 1889-1906.

Agriculture Experiment Station

- | | |
|--------|---|
| box 1 | Mainly correspondence from various experiment stations addressed to E. W. Hilgard, E. J. Wickson, and C. H. Shinn.
Foothill Experiment Station, Jackson: 1880s to 1896 and 1901 to 1903.
Pomona Station, 1890-91, 1893-1901, and undated; includes some crop reports.
Santa Monica Station, 1895-99. |
| box 2 | Santa Monica Station, 1900-1905.
Chico Station, 1893-1906.
Tulare Station, 1888-97. Includes misc. reports from 1894 and fruit crop reports from 1897.
Seeds, 1890-95, 1900-04 and misc. undated. |
| box 3 | George Hansen Correspondence, Paso Robles, J. W. Neal - C. H. Shinn |
| box 3a | Agriculture Experiment Station: Forage plants, 1905 (A-Z) |
| box 4 | Green Manure - Sand Dunes

Farmers' Institute |
| box 5 | Viticulture: Bioletti, Wetmore, 1890s

Viticulture: 1905 (A-P) |
| box 6 | Viticulture: 1905 (R-Z)

Bioletti: 1906-1910

Viticulture: 1911 |
| box 7 | Viticulture: 1912, 1913, 1914 (A-F) |
| box 8 | Viticulture: 1914 (F-Z), 1915

Flossfeder: 1910-15 |
| box 9 | [Vacant number] |
