Y.W.C.A. TEMPORARY BOARD MEETING

MINUTES OF THE SEPTEMBER 12, 1942, MEETING

The Y.W.C.A. Temporary Board composed of Mrs. M. Paul Suzuki, Mrs. Minoru Masuda, Frances Maeda, Harue Okazaki, Ise Inuzuka and Jeanne Mori held a meeting at the apartment of Ise Inuzuka. Waka Mochizuki, Supervisor of Club Activities, and Mrs. Everett Thompson, Y.W.C.A. member from Seattle, Washington, were also present.

The meeting was called informally since a chairman had not been appointed. Mrs. Suzuki, having been present at the two previous meetings, explained that the first meeting called on September 12th was composed of all persons generally interested in the organization of a Y.W.C.A. From this group, 32 representatives were chosen as an advisory committee which met the following Saturday, September 19th. At both meetings the necessity of having a general membership meeting was approved. Mrs. Masuda was selected to choose co-chairmen for a tea or banquet at which event it was suggested to have Mrs. Pomeroy, president of the Boise Y.W.C.A., as the main speaker. The advisory committee selected a Temporary Executive Board of six women to facilitate the plans for setting up this association.

The whole committee felt that with our population of approximately 10,000, the Y.W.C.A. would have a definite contribution to make to the community. A suggestion was made that the Y.W.C.A. National Headquarters keep us informed of national secretaries and leaders who may be traveling in this area.

Frances Maeda informed the group that the National Board was willing to send a leader for an Advisor's Training Course. The committee decided upon immediate acceptance of the offer.

The need for a full time secretary and request for a room at the project were discussed. Waka Mochizuki was asked to take up the matter of a meeting room with Mr. George L. Townsend, Chief of Community Services. It was decided to contact the National Board for any information and help in having a secretary within the project, and also Miss Helen Flack for further suggestions.

The program of the Y.W.C.A. in our project was discussed. As Girl Scout work had already been started it was suggested that we omit the Junior Girl Reserves since there would be a duplication of program and leaders. Our Girl Reserve groups will be continued according to high school classes (Freshman, Sophomore, Junior, and Senior). Other groups to be formed might be Business and Industrial Girls, So-Ed (Social Education), Young Matrons and Women's Groups.

Waka Mochizuki informed the Board that the whole project is divided into seven sections. In each section there is a club leader who is to help in the organizing of various clubs. A Temporary Board Meeting with these club leaders who, fortunately, happen to be persons with Y.W.C.A. experience is scheduled to be held on Saturday, October 3.

The Board felt that under the circumstances the dues shall be 25 cents a year for Girl Reserves and 50 cents a year for all others. Membership should be open to all interested regardless of faith. However, this is subject to change when the permanent board takes office.

It was agreed that Mrs. Suzuki act as chairman of this Temporary Board and Jeanne Mori as secretary until the permanent board is elected. A nominating committee will be formed within a few weeks.

It was suggested that the minutes of our meeting be sent to the Y.W.C.A.'s at Seattle, Washington, Portland, Oregon, and to the National Headquarters.

Y. W. C. A. Temporary Board Meeting

September 27, 1942

The Y. W. C. A. Temporary Board meeting was held at the apartment of Ise Inuzuka, 32 - 7 - B. Those present were Mrs. M. Paul Suzuki, Mrs. Minoru Masuda, Frances Maeda, Haruye Okazaki, Ise Inuzuka and Jeanne Mori. Waka Mochizuki, supervisor of Club Activities and Mrs. Everett Thompson, a Y. W. C. A. member from Seattle were also present.

The meeting was called informally since a chairman had not been appointed.

The question of setting up our own association was brought up. With our population of close to 10,000, we felt that there was a definite need for a full Y. W. program. It was agreed by the group that we would work closely with the Y. W. in Twin Falls and others in the state. A suggestion was made that we ask the National Headquarters to keep us informed of national secretaries and leaders who may be travelling in this area.

The need for a full time secretary in the project was discussed. Many that had expressed interest in working with us were mentioned by the group. Among those mentioned were Miss Grace Lowers, now with the U.S.O. in Monterey, California, Miss Virginia Carrier of the Seattle Association and Miss Betty Holman of Pasadena. It was decided to contact National Headquarters for any information and help in having a secretary and also Miss Helen Flack for suggestions.

The program of the Y. W. C. A. within the project was discussed. In as much as the Girls' Scout program had already been started, it was agreed by all that we omit the Junior Girl Reserves since there would be a duplication of program. The Girls' Reserve groups will be continued and the other groups to be formed would be Business and Industrial Girls, So - Ed, Young Matrons, and Women's Groups. The need to reach the young mothers with small children was stressed by Mrs. Thompson.

Waka Mochizuki informed the Board that the project was divided into seven sections, each with a club leader. They are: Sec. I - Yoshie Fujihira, Sec. II - Margaret Echigoshima, Sec. III - Grayce Sakura, Sec. IV - Mrs. Lulu Kashiwagi, Sec. V and VI, -ynottappointed yeteand Sec. VII - Sally Shimanaka. These club leaders, fortunately happen to be leaders with Y.W.C.A. experience.

The question of "dues" was discussed. We felt it unwise to ask for full dues under the circumstances so decided to set the dues at 25¢ a year for Girls Reserves and 50¢ a year for all others subject to change when the permanent board was elected.

Frances Maeda informed the Board that the National Headquarters was willing to send a leader for an Advisors' Training Course. The group decided to accept that offer immediately.

9/27/42

It was suggested that at the Training Course, the leaders be advised to discourage groups that wished to assess small fees for different doings so that the need to pay out may be kept at a minimum.

Waka Mochizuki was asked to contact Mr. George Townsend for a permission to hold a banquet in a dining hall soon to be opened, possibly dining hall No. 32. Mrs. Masuda, chosen at the previous meeting to select co-chairmans for the banquet, reported that Stella Yorozu gladly accepted to work with Hiroko Kawasaki on the banquet. Haruye Okazaki from the board was chosen to work with the co-chairmans. It was suggested to have Mrs. Pomeroy, president of the Boise Y.W.C.A., as the main speaker. The secretary was instructed to write a note to Mrs. Pomeroy without the committee having to meet again if the banquet is to be held this coming week.

Mrs. Suzuki was asked to act as chairman of this temporary board and Jeanne Mori as secretary. Mrs. Suzuki explained that this board would continue until such time as a nominating committee was formed.

It was suggested that the minutes of our meeting be sent to the Y.W.C.A.'s at Seattle, Washington, Portland, Oregon, and to the National Headquarters.

Portland - 834 South West Broadway

Seattle - 5th at Seneca

New York - 600 Lexington

The next meeting was set for Saturday, October 3rd at 1:30 in dining hall #21.

Frances Maeda reported that she had personally contacted the National Headquarters and the Portland Y.W.C.A. for suggestions and materials in furnishing the club room, and also a message to be read at the tea.

Y.W.C.A. Temporary Board Meeting

October 6, 1942

The meeting was called to order by Mrs. M. Paul Suzuki at 8 P.M. in Dining Hall # 21. Those present were: Frances Maeda, Harue Okazaki, Jeanne Mori, Stella Yorozu, Ise Inuzuka, Board members, and Waka Mochizuki, Supervisor of Club Activities.

The minutes of the previous meeting were read and approved.

Stella Yorozu, co-chairman of the All Fellowship Tea, announced the following changes in committees: Publicity,--from Ruby Kanaya to Grace Hagiwara; Program,--from Grace Hagiwara to Harue Okazaki; and Invitations,--from Jeanne Mori to Ise Inuzuka.

Frances Maeda reported that a group of Portland Y.W.C.A. members were planning to attend the All Fellowship Tea. Miss Maeda was asked to see Mr. Carl Sandoz, Counselor in the Community Services Division, as to lodging and eating accommodations for our guests who would be on the project for several days.

A wire to be read at the tea was received by Miss Maeda from members of the Y.W.C.A. National Headquarters.

The Board decided to have the next Temporary Board Meeting open to all women and girls interested in advisory or leadership work. The meeting is planned to be under the guidance of the Y.W.C.A. members from Portland who are expected to be present on the Project then, and will be held in Recreation Hall # 8 on Sunday, October 11th, at 1:30 p.m.

The meeting was adjourned by the chairman at 8:30 P.M.

Respectfully submitted,

Ise Inuzuka, secretary

The Leaders' Meeting was opened by Mrs. M. Paul Suzuki at 2:35 P.M. in Recreation Hall #8. Among those attending were Miss Mildred Bartholomew and Miss Rae Hungerford from Portland, Oregon; Jeanne Mori, Harue Okazaki, and Ise Inuzuka, Board members; Mrs. Lulu Kashiwagi, Grayce Sakura, and Marie Namba, Section Club Leaders; Mrs. Everett Thompson, Mrs. Misao Hayashi, and Kaoru Ichihara.

Mrs. Suzuki briefly summarized what had been accomplished by the Temporary Board regarding the different divisions of organizations. The meeting was under the guidance of Miss Mildred Bartholomew of the Portland YWCA and was conducted informally with emphasis upon organizational problems and needs.

Miss Bartholomew stated that the National YWCA is anxious to respond to the request of the Japanese people in the relocation centers. According to her, the Minidoka YWCA will be a new thing which will follow no set pattern. The procedure for organizational purposes was suggested as: firstly, the needs of those whom the association will serve in any way must be discovered; secondly, the program must be built upon the needs of the community and must be flexible enough to satisfy other possible needs that might arise.

In order to discover the needs as fully as possible and to receive advice and assistance on the program, Miss Bartholomew recommended conferences with the Caucasian school teachers, Mr. Cole, Mr. Light, Mr. Townsend, Mr. Pomeroy, Mrs. Pomeroy, Mrs. Townsend, Mrs. Sandoz, Miss Bennett, wives of the Caucasian personnel on the project, the leaders and leaders - to - be of the different groups, and also a representative group of those organizations to be formed.

Miss Bartholomew pointed out that instead of using the YWCA constitution we take the advantage of the opportunity of drawing up a new constitution with a personal basis.

All information and material can be obtained from the National Headquarters with whom we were advised to keep in touch as closely as possible as well as with the Twin Falls YWCA.

Departments covered in the meeting were the Girl Reserves, the Business and Industrial Girls, the Young Married group, and Mothers' groups.

In regard to the Young Married People, Miss Bartholomew suggested that the leader get a group of them together some evening and have them present their problems. Two meetings each month was suggested, one of which may be cultural and the other a study group. A few

possible subjects were mentioned as play reading, poetry and book reviews, religious forums, flower arrangement, music, or Block teas with impromptu performances. Miss Bartholomew offered to send a list of plays and other materials.

Since the Girl Reserves will be organized according to high school classes, Miss Bartholomew advised the Board to confer with the high school teachers who may have to serve as advisors. The Girl Reserve program will most probably follow the same outline as they are accustomed to, therefore requiring less effort and presenting less problems than the other groups. Miss Batholomew suggested that our groups keep in contact with outside Girl Reserve groups.

The Business and Industrial groups will probably be organized by sections and could hold evening meetings. It was suggested to take the magazine "Common Ground" as an interest if no other subject or purpose could be found.

Among the Mothers' groups there would be primarily 3 classes, mothers of young children, of older children, and of Girl Reserves. With the beginning of the nursery, a program could possibly be arranged for the young mothers. Programs for these groups may be planned according to what the members of the group desire or need.

Miss Bartholomew read part of a letter she had received from Miss Helen Flack of National Headquarters that the Japanese in the Relocation Centers had namely 3 things which they hoped to accomplish through the YWCA: 1) Breaking down of existing barriers between different groups within the center; 2) Receiving help in thinking through what this struggle is about; and 3) keeping their contacts with the group outside of the center.

The flexibility of the YWCA program makes it unique of all other organizations. It is bound together by common interests and needs.

The meeting was brought to a close at 4 P.M.

Report to Philip Schaffer
Asst. Project Director

October 22, 1942

On October 10, 1942, a delegation of 13 women from the Twin Falls YWCA attended the Hunt YWCA All Fellowship Tea, at which time the women offered their assistance and advice in helping us to set up our association and to plan a program.

Groups of Hunt YWCA workers went to Twin Falls on Friday, Saturday, and Sunday, October 16th, 17th, and 18th. On Friday we were in conference with Mrs. R. A. Reed, secretary of the YWCA, and Mrs. Baker, Board member. At this time we discussed the inter-relational program of the Twin Falls and the Hunt associations. The Twin Falls YWCA offered the use of their rooms to both girls and boys of the F.S.A. Camp and of the Project. Mrs. Reed then requested for someone from the Project to be responsible for the rooms especially after office hours.

Mary Amano and Kaz Shitama of the F.S.A. Camp had been in to the YWCA with a request for assistance in forming a group at the camp. Mrs. Reed had made an appointment to meet with them and all others interested on October 23rd at 8 P.M. at the camp and expressed her desire to have a committee from the Project accompany her.

Mrs. Reed had not had much experience in the YWCA, this being her first year as secretary of the association. She was very anxious that we keep in touch and work as closely as possible with each other.

We also discussed the possibility of a conference for Girl Reserves. Her calendar indicated that a Girl Reserve conference was usually held in the second week of November. We suggested that she contact the other representatives as soon as possible for the purpose of holding a pre-conference planning meeting.

This year the Twin Falls YWCA had difficulty in being recognized by the local Community Chest Division, so they were most anxious to be of service and to include us in their program. One of the Twin Falls Garden Club members wanted the YWCA to see if any residents of the Project would go out to demonstrate flower arrangement at their annual chrysanthemum tea.

Miss Esther Briesemeister from the National YWCA will be present on the Project from November 2nd through the 6th. The Twin Falls YWCA requested that they be allowed to entertain her for one day.

On the subject of conferences, we also discussed a possible program between members of the Twin Falls and Hunt Business and Industrial girls.

The Twin Falls YWCA have a trailer full of Iris bulbs for distribution on the Project. They are to be picked up at our convenience. On Thursday, October 22nd, flower plants and seeds were received from the association.

Mrs. Reed pointed out the importance of the Twin Falls and Hunt YWCA's working together and interlocking their programs.

She also requested to have a list of the names of girls who have left the Project and are now doing housework in Twin Falls, in order that they may be included in their program.

The girls would pay for their own lunch fees of 50¢. Five advisors were to be chosen to go. HUNT Y.W.C.A. BOARD MEETING
WITH MR. TOWNSEND

November 25, 1942

- Special Meeting: The Hunt Y.W.C.A. Board met in the Social Service Office, 23-4-C at 6:30 p.m. on November 25, 1942 with Mr. Townsend for the purpose of clarifying the relationship between the Y.W.C.A. and the Recreation Department. Those present were; Suzuki, Mori, Uchimura, Yorozu, and Inuzuka.
- Background Information of Rec. Dept.: Mr. Townsend briefly gave a summary of the background information of the Recreation Department. The organization of community activities is planned in seven sections with each having a leader and six supervisors for different activities. In so far as club activities are concerned, the purpose of the Recreation Department is to organize coogulate all club activities.
- Clarence with Rec. Dept.: The importance of clearance with the Recreation Department was stressed by Mr. Townsend. The act of clearing does not involve getting permission for an acitivity so much as keeping down competition and keeping Club Activities Leaders advised of different activities.
- Dues: On the subject of dues, there seems to be no established policy against dues. Money is needed to carry on activities. Mr. Townsend advised the Board to proceed on dues and the amount was optional.
- Publicity: It was suggested by Mr. Townsend that a Public Relations person be appointed for publicity and etc. Major events should be cleared with Recreation Department before publicity is given out.
- General Y. Secretary: Regarding the possibility of having a general Y. Secretary on the W.R.A. payroll with a C rating, Mr. Townsend advised that we write a letter to him in the form of an inquiry; also that the qualifications for a Secretary be incorporated into the letter. Since there is a need for one Y. Secretary to know the general program of community activities, the Y. Secretary will probably have to fit in with the Recreation Staff.
- Ways Y. can Assist Rec. Department: When asked as to what ways the Y. can assist the Recreation Department, Mr. Townsend referred the Board to Miss Waka Mochizuki.
- Y. Office: The Y. group has long expressed the need for an office and clubroom, however due to the housing shortage have been unable to get an office. Mr. Townsend suggested that we share an office with the Counselor, Mr. Carl Sandoz.

The meeting was adjourned at 7 p.m.

Respectfully submitted,

Secretary

- Minutes Minutes of the previous meeting were read and corrections ~~made~~ approved.
- Correction Uchimura was also present at the last meeting.

Correspondence A letter from Frances Maeda, former Board Member was read. Of great interest was her mention of Girl Reserve pen pals between Hunt and Boston which might be possible.

The secretary was asked to write a letter of thanks to Miss Bartholemew of Portland for her letter to Governor Sprague pointing out the fact that Oregon's crops were harvested with the help of the evacuees from the Portland Center.

Girl Reserve Report Stella Yorozu reported for the Girl Reserves. Christmas cards and their sale was discussed. There seemed to be interest among the members of the Caucasian staff in buying them from the girls. The girls were working on them for the benefit of the club and not for their individual profit. They are being assisted by Miss Markholm, the art teacher of the high school.

Stella reported that the inter-club felt that the Girl Reserve dues should be more. However, the Board members felt that the dues as set should be retained. It was pointed out that even in our Seattle and Portland groups it had been hard to collect dues. Also, it was added that if any girls were found unable to pay dues, that they should talk with their adviser. It may be possible to let them work off their dues.

Pat Shitama and Tomi Koba who are showing active interest in High School Girl Reserves, but due to the fact that both are graduates and should not participate in G.R. activities, were appointed to organize a Girl Reserve Alumnae group by the Board. A re-election of Inter-club officers was recommended.

In Section I and II, Yoshie Fujihira was the adviser of the G.R.'s. Meetings were held every Tuesday, with cabinet meetings once a month. A monthly report was being asked of all advisers.

Section III met on the 1st and 3rd Thursday. Grace Sakura was the adviser.

Section IV met every Tuesday night. Cabinet meetings were twice a month before meetings. Miss Esther Uchimura and Mrs. Herndon were the advisers.

Section V and VI met every Tuesday night. Cabinet meetings were twice a month. Miss Ise Inuzuka was the adviser.

Inter-club meetings were held the last Saturday of each month to clear up any old business and to take up any new business. They were however, having a special meeting on the 2nd Saturday to plan for Christmas.

Mrs. Suzuki said that she would be unable to accept the job as Y.W.C.A. secretary. In the event that we are unable to get any one, the possibility of obtaining someone to do the main clerical work and to be in the office was discussed. Mr. Townsend would have to be consulted.

SIX MONTHS REPORT OF THE HUNT Y.W.C.A

Hunt Y.W.C.A. had its dusty beginning through the aid of Miss Waka Mochizuki, Club Activities Supervisor, who called together all interested persons in the Y.W.C.A. and the Y.M.C.A. It turned out to be a Y.W.C.A. meeting with 60 interested Girl Reserves, advisors, other club members, and interested people attending. Feeling that sixty was too great a number to effectively plan and organize, the group suggested twelve names of former leaders and advisors of the Y.W.C.A. This group then elected Frances Maeda, Ise Inuzuka, Harue Okazaki, Mrs. Minoru Masuda, Jeanne Mori and Mrs. M. P. Suzuki as temporary Board to formulate plans and carry responsibility of various activities of the Y.W.C.A.

We welcomed Miss Bartholemew, envying her reunion with her Portland group and the Twin Falls group at our first Membership Tea during the fall's worst dust storm. Miss Esther Breisweiser came in November and helped us see our objectives and lay our plans. In the meantime our Board had been losing its members which necessitated continual addition of new names. Frances Maeda left for Boston to work with Miss Ruth Seabury, and Mrs. Masuda left for harvest work, so Stella Yorozu and Esther Uchimura were asked to take over the Girl Reserves department. Harue Okazaki left for employment in Preston, Idaho and Mary Matsu-mura went to Chicago to work with the Friends' Society. Enough praise cannot be given them for their excellent work in laying the foundation of our organization.

We knew that we had the most attractive girls in our organization, but this opinion was campwide when our own Ise Inuzuka was elected "Sweetheart of Minidoka" in February. To be recognized also is the fact that all our leaders have unselfishly volunteered their time to carry their responsibilities for the Y.W.C.A. Pat Shitama who started in January to clear our office work is our only employed personnel.

Our present Board members are: Mrs. M. P. Suzuki, Chairman, Ise Inuzuka, Stella Yorozu, Esther Uchimura, Natsuko Yamaguchi, Shizuko Higano, Ruth Sakai, Mrs. Jerome Light, Mrs. Ellen Herndon, Alice Gwinn and Helen Amerman.

Snow did not keep twenty delegates from attending the fall Girl Reserves Conference at Filer. Toshie Wakamatsu, President of our Hunt Inter-club cabinet was elected vice-president of the Magic Valley Girl Reserves Conference. Further winter activities were greatly hindered due to cold weather and the holiday season. The Girl Reserves helped in the Anti-Tuberculosis Drive and in the Community Christmas Party plans. In January they were ready to have their first Recognition Service in dining hall 22 with 130 girls participating. The Girl Reserves have really "gone to town" and have kept themselves the most active and interesting group on the project.

The Twin Falls and Magic Valley Y.W.C.A. have throughout our whole program shown their interest in us by responding to our invitations and making friends with us all. They have won our appreciation from the day they appeared at our first tea bearing armloads of fall blossoms and containers. It was the most heartening sight for flower-loving people who had neither seen nor touched flowers since coming to a strange camp with nothing to see but endless miles of sagebrush. Yoneko Tajitsu had gone to Boise and made friends with the Y.W.C.A. and Girl Reserves there. Stella Yorozu took a week off to participate in a conference in Denver and to meet with representatives of other relocation camps. Waka Mochizuki, Ise Inuzuka, Pat Shitama and Yoshie Fujihira represented us at the Pocatello Leadership Workshop in March.

Through our program we were deeply indebted to the Administrators of the Project for their cooperation and guidance. Through Mr. Townsend and Mr. Schafer we were encouraged to make friends with the adjoining communities by attending conferences and various meetings. Mrs. Pomeroy, Mrs. Light, Mrs. Herndon, Miss Gwinn and a number of teachers have always been ready with any assistance we required.

During all this activity and program, and working with our local and outside groups, the most important thing we have come to feel is the far reaching influence of the Y.W.C.A. We have greatly appreciated the support and the gifts from the Boise, Portland, Seattle and Tacoma Y.W.C.A.s and their encouragement and concern for us. We are continually feeling the "nation wideness" of the Y.W.C.A. by the number of new associations from which we receive correspondences. We are grateful for the ready assistance and policy of the National Y.W.C.A. and their members concerning minority groups and the teaching and practice of tolerance at a time of war hysteria. We hope for a speedy conclusion of the war and return of the evacuees to their normal ways of life.

Respectfully submitted,

Mrs. M. Paul Suzuki

who combine their efforts in order to enrich their own lives,
to educate themselves in the art of living, to take some share
in building a better community.

THE GIRL RESERVE QUEST

Everywhere, always, in sunshine, in shadow,
In joy, in disappointment, in success, in defeat,
We, the Girl Reserves,
Follow the Gleam.
If once we fall,
We rise to face the light;
If once we fail,
We fight again to win;
We cannot be lonely - we stand together.
From east to distant west,
Ours is the surest quest.
We know the One we follow.

FOLLOW THE GLEAM

To the knights in the days of old
Keeping watch o'er the mountain
height,

Came a vision of Holy Grail,
And a voice thru the waiting night
Follow, follow, follow the gleam
Banners unfurled, o'er all the
world,

Follow, follow, follow the gleam
Of the chalice that is the grail.

And we who would serve the King
And loyally him obey

In the consecrate silence know
That the challenge still holds
today,

Follow, follow, follow the gleam
Standards of worth, o'er all the
earth,

Follow, follow, follow the gleam
Of the Light that shall bring the

GIRL RESERVE HYMN

As the stars and moon give their
light

So must faith and love shine thru
the night.

God of gentle wind and hill, of
storm and ancient tree,

Give us understanding, make our eyes

CHORUS

God the Father, hear us, lift our
hearts and cheer us.

For Thy infinite wisdom and strength
Need we ever fear us. Amen, Amen.

As the mountain stands above the hill

So must courage live within us still
Father of all peoples, God of all

Give us deeper knowledge Father as

GIRL RESERVES ALL FOLLOW THE QUEST

Girl Reserves all follow the quest
From north to south, from east to

Honoring, and honored by all
We rise to face the light if we

We, the Girl Reserves, We the Girl

We know the One we follow, Christ,
The Lord.

THE GIRL RESERVE MARCHING SONG

Over hill, over dale, we will hit
the greenwood trail,

As we G. R.'s go marching along,
In and out, all around,

You will never see a frown,

As we G. R.'s go marching along.

Then it's "hi-hi-hee", Girl Reserves
are we,

Shout out the name loud and strong,
"GIRL RESERVES"

Where e'er we go, you will always
know

That the G. R.'s are marching along,

That the G. R.'s are marching along.

Blest Be the Tie

Blest be the tie that binds
Our hearts in Christian love;
The fellowship of kindred minds
Is like to that above.

When we asunder part,
It gives us inward pain;
But we shall still be joined in heart,
And hope to meet again. A-men.

Lead on, O King Eternal

Lead on, O King Eternal,
The day of march has come;
Henceforth in fields of conquest
Thy tents shall be our home.
Through days of preparation
Thy grace has made us strong,
And now, O King Eternal,
We lift our battle song.

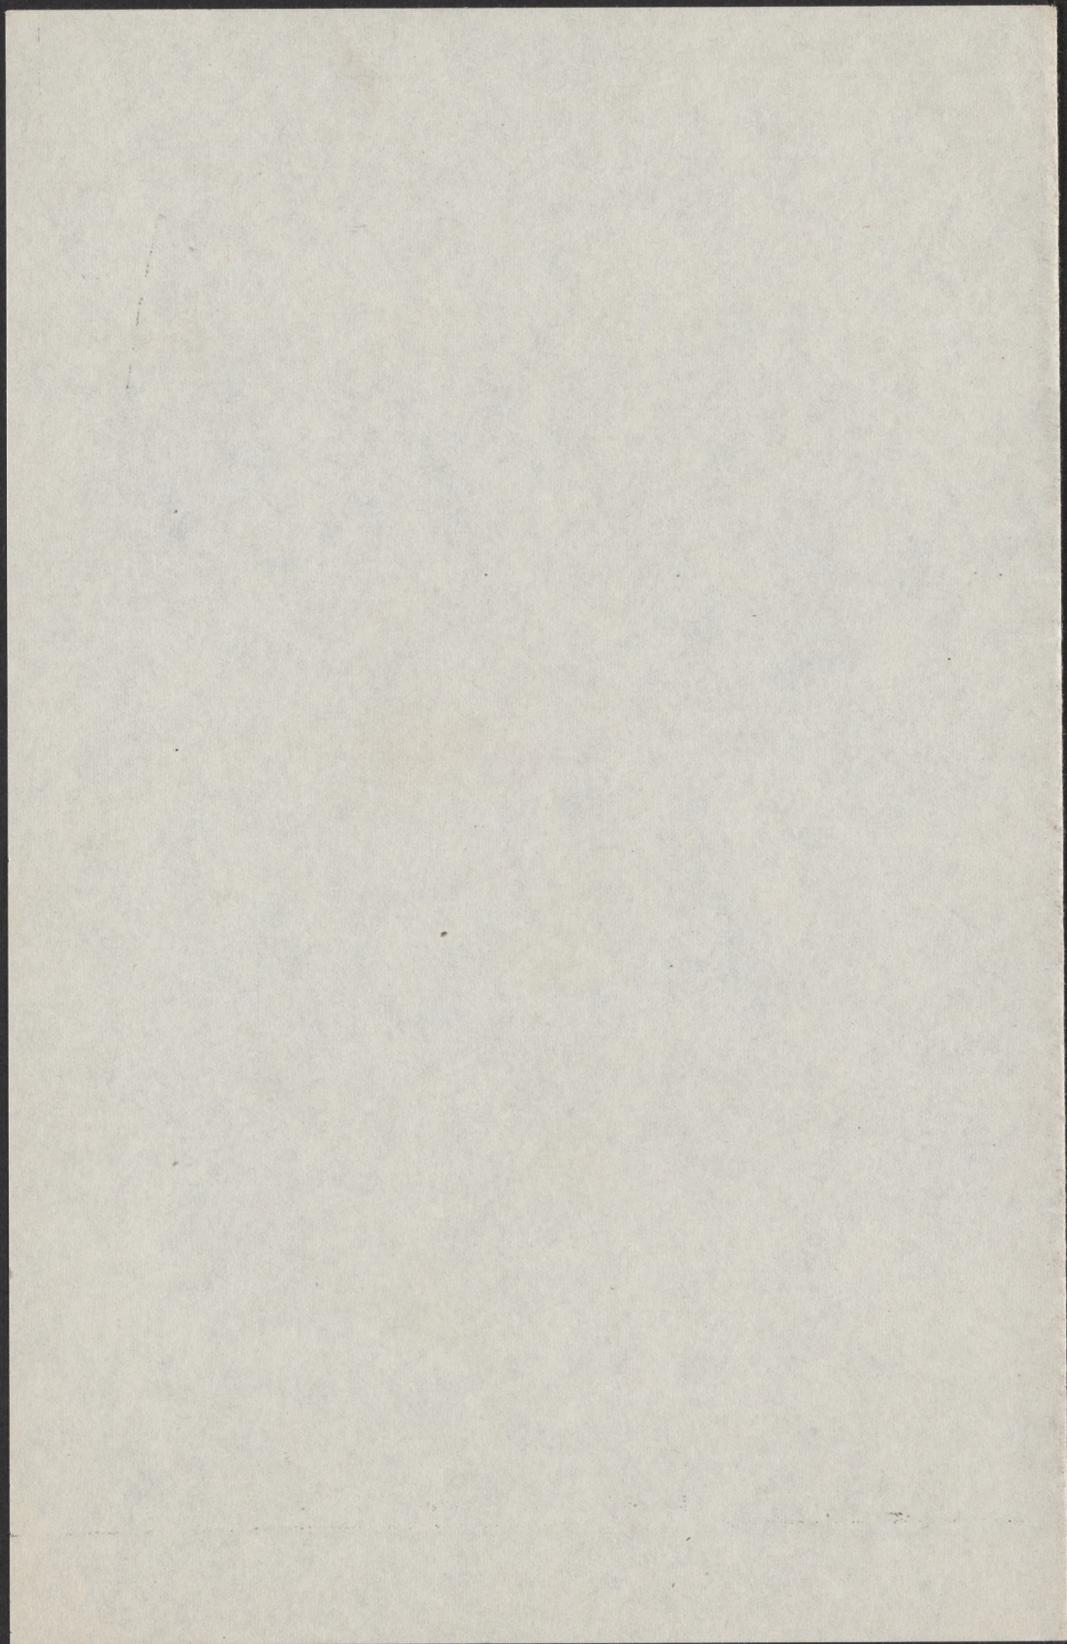

Lead on, O King Eternal,
We follow, not with fears;
For gladness breaks like morning
Where'er Thy face appears;
Thy cross is lifted o'er us;
We journey in its light:
The crown awaits the conquest;
Lead on, O God of might. A-men.

GIRL RESERVES ADVISORS' CONFERENCE

Nov. 2, 1942 -- 1:30 P.M.

Monday, November 2, 1942, designated as Girl Reserves' Day was the occasion for a meeting open to all prospective and interested advisors of any organization with Miss Esther Briesmeister, national staff member of the Y. W. C. A. who has been working with the Japanese-American groups in her tour of the W. R. A. centers.

Miss Yoshie Fujihira gave a short report of the G. R. activities here on this project. Due to the set-up of this unique community, meetings were held in each of the 7 sections to organize this group. An ann-Y Tea was held recently for all prospective members of the Y.W. and honored guests were the members of the Twin Falls branch and representatives of the Portland, Oregon, Y. W. C. A.

Miss Briesmeister opened the discussion with the vital questions: How can the Girl Reserve program contribute to community life? Since each individual feels the basic need for belonging, a club such as this should meet the needs of the individuals who come to it. Through inter-change of ideas and opinions of persons with different backgrounds, one can learn to understand each other and work together harmoniously as a total group. Valuable experiences can be gained through the process of organizing and emphasis should be placed on the development of the individual, rather than on the extrinsic end product.

There are three types of leadership:

1. Leader who acts as a "figurehead" in carrying out the policies.
2. Leader who dominates a group
3. Leader and members who are equal in formulating and carrying out the club's policies.

The last group mentioned is the organization which will gain the most by working together if the leader possesses keen foresight.

Leaders, although young and inexperienced, must be invested with confidence for they will learn through mistakes. A program for leadership training should be set up and its aims should be evaluated. A complete list of available leaders in the community should be filed. Those who have special talents such as in discussion, folk-dancing, music, etc., should be utilized to teach others and train them for potential leadership. In this way, a large territory can be covered more successfully in carrying out the programs.

Committees are vital in contributing to the sense of belonging, for everyone likes to feel that he is participating in the program. Many times, new committees may have to be created to meet the needs of all, for too often, we find a small group controlling the rest of the members.

Organization procedures were also discussed.

Meetings with advisors should be held regularly. Club officers should meet regularly, also.

Girl Reserve record forms for each member should be made and filed for use.

A notebook of club activities should be kept at all times for record purposes and for evaluation.

Relations between the outside group and the group here should be developed. Some of the channels for outlet are:

1. The Girl Reserves publication, "The Bookshelf" through which G. R. activities in camp may be published.
2. The Pen-pal club where members may correspond to many friends.
3. The Church magazines where opportunities may be offered for publication of articles.
4. Here, at Minidoka, we are very fortunate to be located near towns where we may come in contact with the Caucasian groups through Christian activities.

We are faced with the pressing problem of counter-acting destructive forces in an abnormal community and it is our responsibility and challenge to work effectively toward character development. Let us learn to live and work together harmoniously here, through group activities, and take a step in the right direction toward the "universal dream"!

Of special interest to the girls was the topic of employment outside of the Government projects. She suggested making a study of employment as one of the projects for the B & I Girls with research on types of jobs, living expenses, community acceptance, and also, self-analysis.

Attending conferences was suggested as one means of maintainin' close relationship with outside groups.

The following are a few of the topics discussed by Miss Briesmeister:

"Business News & Notes" published by the business girls and how the girls on the project could contribute articles.

Building fellowship among women and girls.

SO-ED Meeting and Social

Friday, November 6, 1942

Miss Briesmeister, guest speaker

The opening of the meeting was a short period of song-fest led by Julius Fujihira, after which Miss Briesmeister was introduced to the group.

Miss Briesmeister, after a few introductory words about what other Centers were doing in preparing themselves as a group for permanent relocation, asked that the meeting might be thrown open to questions and discussions.

The question as to what the So-Ed groups in other centers and outside world were doing was asked, and was answered that the So-Ed group was a social organization with no specific religious or social restrictions, but a branch of the "Y" where social contacts of both men and women might be developed.

A general discussion as to breaking down of religious differences through social groups of this type then followed, and that a group of this kind was necessity was agreed upon, where barriers, both religious and social might be broken down.

What topics would be of interest and value to this particular group? Marriage problems in its phases was thought to be important, but at that time, that was the only suggestion offered. It was agreed, however, that this type of a small group was the only thing which would be conducive to a thorough "thrashing out" of whatever problems we might consider.

The question of what part of the "Y" or Recreation the So-Ed belonged was brought up, and the Recreations 14 and 38 being the two "club-rooms", and their purposes was explained by Mrs. Suzuki.

After further discussions on dues, organizations for Leadership Training Courses, etc. a suggestion was made that a Planning Committee be formed. This Planning Committee would possibly consider such topics as Book Reviews, hobby groups, Red Cross work, First-Aid classes, permanent relocation for discussion. Among the hobby groups, such projects as supervision of younger groups' Christmas card-making project, making of name pins, games, etc. were suggested.

Nominations were opened for members of the Planning Committee. Those nominated were as follows: Tom Okazaki, Julius Fujihira, Yoshiko Uchiyama, Ruth Sakai, Ronald Shiozaki, and Mary Matsumura.

The question next, and lastly brought up was that of Relocation. What part ~~the~~ "Y" played in helping evacuees get relocated, such as finding places people might go to, by direct contact through the "Y", finding persons interested in helping evacuees, etc.

We ended this formal discussion, to give the opportunity for an informal get-together; a few "get-acquainted games" were played, after which we went to the dining hall to enjoy fruits and cookies.

It was a well-represented group, and the evening was enjoyed by all.

COLLEGE GROUP MEETING
Nov. 5, 1942 - 7:00 PM.

The College Group of Minidoka Relocation Center met for the first time, Thursday, November 5, 1942 at 7:45 pm under the chairmanship of Miss Chiye Horiuchi.

Invitations were sent to college age colonists for a collegiate organization, with Miss Natsuko Yamaguchi heading the committee.

The main speaker was Miss Esther Briesmeister of Denver, Colorado, national staff member of the YWCA. She had been visiting many other relocation centers for the past six weeks and was here to give us the reports on how the other centers were coming along, their various activities and mainly on organizing a college group here as in other centers, and also emphasis on ways and means for permanent relocation. We first met in Block 26 Dining Hall and later on in the evening to the Recreation Hall in the same block.

Miss Briesmeister spoke firstly on the "outside". The college curriculum offered today is quite different from the ones a year ago. Emphasis is being placed on industry and war, and the courses are hurried up to meet the demands of the economic world. For instance, a master's degree which would take two years would be speeded up to be completed in one year. Students are majoring more in the economic and professional and trade skill subjects rather than in English. In other words, the more practical courses are being taken by the majority of students.

The society is going through a rapid change now, especially in the cities. Places where there are defense jobs, the attraction of bigger pay makes them center there, thus crating new social problems, some acute. The people on the whole are too busy making money and spending as well. They are conscious of the fact that there is a war going on. However, they are not cooperating and uniting to the extent that is required from the people in a country that is at war.

Miss Briesmeister talked next on permanent relocation. There are various social problems to be taken up in the Relocation Center and in the place of permanent relocation. The task of solving them falls on the college people. We should take a look at the map of the United States and think of places adequate to relocate. The community patter of thinking can start from the college group. We should begin to tackle the problems to guide people to think, since we have the training as we have taken sociology, etc. in College. The way the plans are made is important, especially what it accomplishes. Of

course there is only a small percentage of college people in every Center, but the number of the people is not important. We should build the kind of community government that is **useful**. We should get going on this from experiences we had in college politics.

What changes that are taking place in college, must be taken into consideration for a student planning to enter one. Also any ways to increase skills in all the goal of the individual. Any student who is planning to work too while attending school would be good to work in the lower bracket jobs as unskilled jobs as they are money saving, for it is hard and high in expense to live in any city at present. One must also know that money does not buy the same in every community.

For others, we must find a secondary occupational outlet, even if we have the skill to relocate. That is, it is sometimes necessary for a person with a pharmacist's degree, for example, to work as a gardner in a city because the place was in need of it, and later work as a pharmacist when the right time comes. People in private industry need stenographers and office workers, but one must, in most cases, get a personal interview to obtain the work. This Relocation Center, for instance, are changing attitudes of outlying communities as Twin Falls. Business is prospering there due to big increase in purchases from the Center people.

The Japanese people who are living "outside" are setting examples of attitudes for 100 other Japanese people. It is better for one to relocate to a city rather than a small town because of better business or work opportunities. They should write to the YWCA for such information. Of the questions should be: What is the whole community like over there?

In relation to jobs available, there are lots of service jobs opened, but for office work, one needs to get a personal interview, as was mentioned before. It is almost impossible to at present, get jobs by correspondence. At Granada, young people are getting 30 day leaves to find a job. It is not advisable to go, only when there are friends already there.

Do not set up separate Japanese clubs. It is not desirable at this particular time. It does not help the Caucasian community attitude to have segregated groups set up. Don't make yourself conspicuous by speaking Japanese in public. We should interest Kibei groups in Americanization classes. That would help them in finding work for relocation.

The race situation for Japanese is better than for Negroes. Mexicans are in worse situation than the Japanese. Japanese are accepted in Salt Lake City defense plants. There are ways of per-

sonally setting the attitudes for the white people aren't adjusting themselves to minority groups.

The rest of the evening was spent in asking personal questions to Miss Briesemeister. The meeting ended at 9:15 .

GIRL RESERVE INTER-CLUB MEETING

January 30, 1943

The meeting was called to order by President, Toshie Wakamatsu. The minutes were read and corrected. Esther Uchimura talked about Miss Briesmeister's letter which told of the coming of a foreign correspondent to Hunt. There was the possibility of the Girl Reserves getting her as a speaker. The conference in Pocatello was discussed which was to be held on March. Also Stella brought up about the one-day conference which was to be held here at Hunt. A Girl Reserve publication put out by our club was suggested and discussed. The newly formed Hunt G.R. constitution was read and briefly discussed. It was thought best to bring it up at a future mass meeting for the whole camp. Feb. 21st from 2 p.m. was set as the camp-wide meeting date. Mr. Light was to be the main speaker in talking to the girls on "Attitudes". Light refreshments were planned to follow.

Hiroko Kawasaki reported on G.R. Tolo. Most of the plans were started, and committee heads were chosen. Section I & II, Invitation; Section III, Refreshments; Section IV, Clean-up; Section V & VI, P.A. and music; Section VII, Decoration. It was requested that all lists of persons planning to attend be handed in by Feb. 6. A donation was to be taken to defray expense (15¢). The date was set for Feb. 13, 1943 from 7:30 to 11 p.m.

Departure packages which are to be sent to different army camps was the next topic discussed. It was to be a camp-wide project carried on within each section. Some of the suggested items to be enclosed were: cigarettes, hankies, pencils, cough drops, and combs. It was suggested that one month be set aside for the project and each section responsible for 10 packages (4 person to each package).

Since too many social s were going on a motion was passed to have socials limited to special occasions. It was further stressed that the Girl Reserves should think more of social service.

In order to develop the other side of our personalities, it was suggested that we secure speakers and have timely camp-wide meetings. Topics suggested were: Attitudes, Ideal Girl, Boy-girl Relationship, Personal Hygeine, and Mental Hygeine. Speakers suggested were: Mr. Light, Miss Bennett, and Miss Waka Mochizuki.

Sectional meetings discussing "Attitudes" before the main meeting was stressed. In this way the girls would be better prepared to take part in a discussion at the main meeting.

All presidents and inter-club representatives were urged to bring back a definite report from their sections on the subject "should the Girl Reserves become a part of the school activities?"

On Tuesday, Feb. 2 at 1 p.m. at the "Y" Office all sections were to have representatives sent to take back her share of the Christmas presents for their section.

For those who were not recognized, a sectional recognition services was suggested.

All the sections were represented except I & II. Advisers, Stella Yorozu, and Esther Uchimura were also present.

A motion was passed to adjourn.
